

ELDOLOO DESIGN CERTIFICATE

ELDOCRETE (PTY) Ltd

19 Sesmylspruit Street, Sunderland Ridge, Centurion

I, the undersigned, being a Registered Professional Engineer, certify that I have carried out the design of the precast reinforced concrete toilet top and pit structure, which is manufactured by ELDOCRETE (PTY) Ltd, in accordance with the applicable codes of practice.

I certify that, to the best of my knowledge and belief, the manufactured product is structurally sound, complies with the Occupational Safety and Health Act No 85 of 1993 and is adequate for the purpose for which it is to be used.

This certificate is valid for the conditions and the material characteristics given and used for the design of the structure.

Date of Issue : 07.01.2021

Expiry Date : 06.01.2022

A handwritten signature in black ink, appearing to read "Austin", written over a dotted line.
